Student Alumni Meet Bangalore

Events

- *Ice Breaking session*

Everyone will introduce himself/herself in the event and apart from that we will try to increase interactions by some simple activities like

a. Ask me anything: Students will ask the alumni various questions in this activity.

b. Pick n Speak: This is for the introduction of the students. We will ask them to pick up a chit and they will have to speak/act upon the instructions written in it. Keeping in mind the time constraint, we can ask students to speak/perform in a group.

- *Discussion Time/Counselling:*

Students shall first open about their doubts/problems and alumni would guide them. This will lead to fruitful and interesting discussions which would be beneficial to all students. Also Alumni can share their experiences about their college life which will make the evening more joyful.

CLOSING CEREMONY
